## ACTIVITY KIT

9781406359435 • £11.99 • Hardback

In Steve Light's search-and-find book, the county fair is filled with shapes —and somewhere among them a monster is waiting to be found.

A little girl wanders through a county fair, searching for her monster friend. Can you spot the friendly monster as well as twenty shapes – squares, triangles, trapezoids, kites and more – hidden among iconic fair attractions from the fun house to the Ferris wheel. Maybe the monster is judging the pies? Or perhaps he's at the monster truck rally?

### HOST AN EVENT

Invite your young readers to a *Have You Seen My Monster?* event. After reading the book together, engage little ones with fun activities, including a colouring sheet and a maze. Then send them off on a hunt to locate all of the shapes . . . and the monster!
