

# HOLD ON TO YOUR HATS!

## Jon Klassen's Hat Trilogy Activity Kit

First a bear lost his pointy red hat. Then a small fish thought he could get away with stealing a big fish's blue bowler hat. Finally, a turtle found a tall white hat that looks good on him—but it looks good on his best friend, too.

This kit for Jon Klassen enthusiasts everywhere features all your favorite hat-obsessed, shifty-eyed animals in fun activities, from drawing to mazes. It's time you asked yourself: Is there anything more important than a hat?

# Matching

Match the hat from Column A to its owner in Column B.  
But watch out! Some of the animals are not the *real* owners of the hats.
