## A RECIPE FOR SNORLICKS

Snorlicks is a wishkeeper's hot beverage of choice. It's certain to keep you in good cheer no matter how many wish snags you have to solve.

### Ingredients

- \* 1 cup of whole milk
- \* ½ teaspoon of instant custard powder
- \* 1 drop of vanilla extract (optional)
- \* 1 teaspoon of maple syrup
- \* A sprinkle of cinnamon (to top)

### Instructions

1. Add the custard powder to the bottom of a pan, along with the maple syrup and vanilla extract (if using).
2. Add a splash of milk and stir until you have a paste. Then add the rest of the milk gradually, while warming on the stove. (Adult wishkeeping assistance may be required.)
3. Whisk until the ingredients are well combined and frothy. Transfer to a mug and sprinkle cinnamon on top.

### Notes

A good remedy for a “downcast & disheartened” mood. Add marshmallows for extra cheer.
